COMPANY
PROFILE

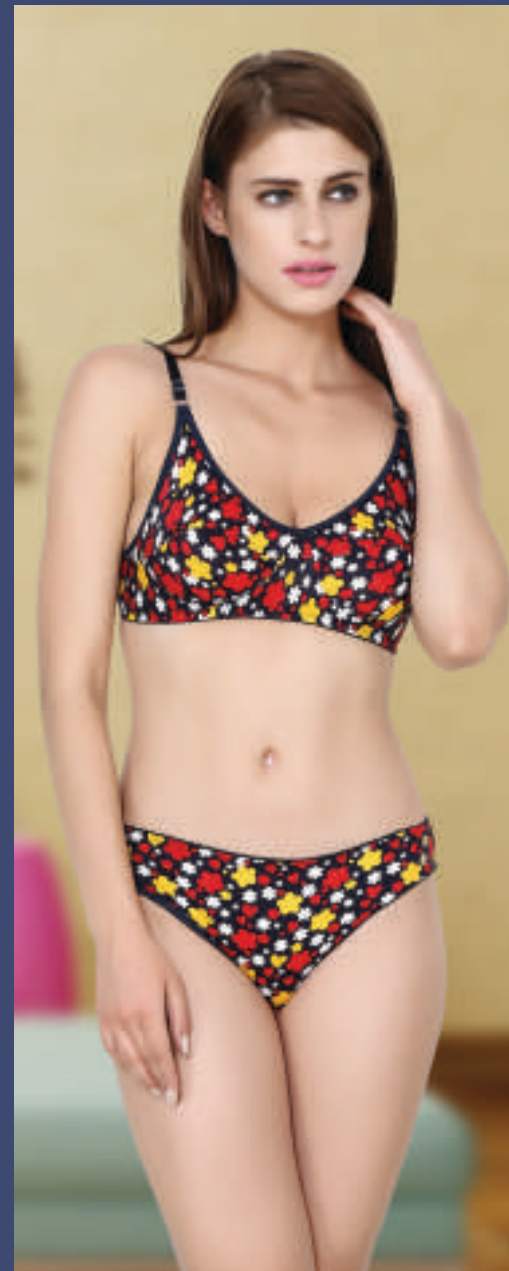

ABOUT US

We, Kaju Inner Wears are one of the leading manufacturers and exporters having a wide range of ladies under garments. Incorporating three factors of quality, comfort and hygiene, we manufacture a vast assortment lingerie which are both skin friendly and designer. Our range of inner wears have distinctive designs, cuts & style.

Our range includes designer lingerie, fancy lingerie, embroidered lingerie, designer netted lingerie, printed lingerie, teen bra, push up bra, chicken embroidered bra, broad strap sports bra, padded lace bra, self printed padded bra, fancy panties, netted camisole, men's cotton vest & briefs, shorty & bloomer for kids, plain & designer cotton hankies.

The company has a strong & dedicated work force of workers, engineers & managers. All the innerwear are designed in the premises of the company on machinery having the latest technology. Although the products have specific applications and uses yet they provide exemplary warmth, are soft, have long life, are comfortable.

Available in plenty of appealing patterns & colours, our under garments are hygienic and designer. We also design and manufacture our range of inner wears as per the customer's specific specifications and requirements. Such facilities enhance our global presence.

WHY US

We offer exquisite imported lingerie, bra and panties that will inspire confidence in women. We actively listen to our customers, responding with creativity and innovation to meet their needs and desires.

We are specialising in all types of women's bra, panties as well as sensual lingerie. We focus on bringing a variety of high quality lingerie and innerwear directly to our customers at their convenience.

Our customers have the opportunity to explore our exquisite product ranges. Experience has shown, that when you wear something you feel good in, you are more likely to project confidence and positivity.

KAJU INNER WEAR is India's most trusted manufacturer & supplier of properly fitted women's underwear including bras and panties, as well as sensual lingerie for that special someone in your life.

We always focus on :

- Reliable in our commitment to deliver the best products to meet women's needs.
- We do what we say we are going to do.
- Authentic. We offer real solutions to every women.
- Unmatched quality
- Customized Customer's Choice.

Our following business USP left our competitors far behind:

- Own production house spread in large area
- Customized service facility
- Imported machines to facilitate production
- Various teams to monitor production stage
- Timely delivery of orders

CERTIFICATION

We are exceptionally proud to announce that Dangia Lifestyle has been awarded with ISO 9001:2015 certification.

This prestigious certification — the latest iteration of the world's leading quality assurance standard, ISO 9001 — is granted for meeting or exceeding rigorous international standards in quality management.

OUR Mission & Values

Mission

- Achieve Market-defining Leadership in our chosen segments.
- To continue to pioneer / bring to the Indian market each major innovation / paradigm shift in lingerie.
- To populate each viable segment of the lingerie market with our brands.
- To drive long term profits and sustainable growth by nurturing healthy brands operating in valuable segments.
- To create sustainable competitive advantage by focusing on the evolving consumer.

Values

- Guiding Principle of Customer-centric Ideation: Believe totally in thinking customer at all times as the Focus, coming up with Ideation in creating solutions to cater to her every desire.
- Facilitating the osmosis of ideas, thoughts and Innovations through the company ecosystem.
- Always an ear to the shifting sands of the consumers? changing habits and preferences. As more evolved and premium-consuming patterns take root for products and services.
- In the growth phase, opportunities to build valuable assets will abound and with them, will lie the risks that must be mitigated, then assumed.
- Building an organization culture that fosters seamless thought flow and liberally extends support beyond the function.
